><br>Harry Potter looked across the table at Hermione Granger, It was their sevnth year Christmas feast. All year something had been bothering him he couldn't figure it out. But now he caught her eye, somehow things were different, she was more than just his best friend. He had no doubts about it, he loved her.

><br>I know that it might sound more than a little crazy

>but I beleive...<br>

>On New Years Eve Harry decided to tall Hermione that he loved her.<br>

>"Hermione," he said, they were alone on the astronomy tower,"Hermione, I...I love you."<br>

>Hermione smiled, "I..I love you too." she said<br>

><br>An hour later they were still sitting up on the Astronomy tower, talking. Harry was leaning against the building and Hermione was wrapped up in his arms.

><br>"Every night at the Dursley's I used to pray that someone loved me. That one day I would find someone who I'd love and that she'd love me back." Harry said, "That someone was you" he leaned down and kissed the top of her head.

><br>"The night before I came to Hogwarts, I had a dream, It was me on a broom with some boy. I didn't know who the boy was but I was riding around a quidditch field with him. And in my dream I loved

him." Hermione said, "That was before I ever met you, before I knew about flying and quidditch..."

><br>"I think we've always loved each other," Harry said.

><br>There's just no rhyme or reason

>Only this sense of completion<br>And in your eyes

>I see the missing pieces<br>I'm searching for

>I think I've found my best friend<br>

>Just after midnight they went back to the common room, most of the younger students had gone to bed, as soon as Harry and Hermione entered the room holding hands Lavender, Parvatti, Ron and some others started to cheer for them, Hermione blushed a little and Harry smiled.<br>

>"You two finally got together!" Ron said, "Why did you wait so long, we've all seen this coming for so long."<br>

>Harry smiled "We've always loved each other, it was just recently that we discovered it."<br>

>Everyone cheered again and Harry leaned over and kissed Hermione.<br>

>Harry and Hermione sat by themselves in a corner. <br>

>"Everything feels so much more...complete, now doesn't it?" Hermione asked. <br>

>Harry nodded, "I feel as though I've got everything I ever wanted."<br>

>"I know I have," Hermione whispered.<br>

>I knew I loved you before I met you <br>I think I dreamed you into life
